BIOGRAPHY

Srividya Angara was introduced to Kuchipudi at a tender age. For more than thirty years, her journey with the dance style as continued. For her, dance is happiness — a complete and most potent manifestation of a joyous heart.

A Gold Medalist in her Master's degree in Performing Arts specializing in Kuchipudi from the University of Hyderabad, Srividya holds a Bachelor's degree in Engineering and Technology, majoring in Computer Science and Engineering, from VNR Vignana Jyothi Institute of Engineering and Technology (VNR VJIET), Hyderabad. Her career in the software industry as an Applications and Senior Applications Engineer saw her work with some of the top IT companies of the world. Her love for the Kuchipudi dance form, however, drew her to performance and choreography as her true path forward.

Srividya is currently training under renowned Kuchipudi guru Sri Jaikishore Mosalikanti of Chennai, while her initial training was under Smt. Vijaya Valli Priya of Hyderabad.

In the USA, her home for two years post-marriage, she evolved as an independent performer and choreographer. She holds the distinction of being the first Indian classical dancer to present an original choreographic work, “MEL – Coming Together,” at the 27th Annual Choreographers’ Showcase at College Park, and at the Norristown Dance Festival in Philadelphia. Mel explored a well-known story from the ancient epic Mahabharata, setting the Kuchipudi dynamic to the Western classical genius of Ludwig Van Beethoven’s 5th Symphony — a work that received much applause and appreciation.

Srividya Angara is a graded artiste with Doordarshan and an empanelled artiste with SPICMACAY and the South Zone Cultural Centre, Thanjavur. She has been invited to perform at prestigious national dance festivals such as the Khajuraho Nritya Samaroh and the Idagunji Dance Festival. Spring 2017 saw her tour the United States with her maiden collaboration SAMAAGATI, a jugalbandi bringing together Kuchipudi and Odissi. Her latest jugalbandi choreography, MEENAKSHI, features the glory of the Warrior-Goddess of Madurai, with Srividya choreographing and presenting the Kuchipudi component. SAMAAGATI has been featured across elite cultural and educational institutions, including the IITs at Dharwad, Bombay and Hyderabad, garnering praise for its strong and sensitive choreography.

MANOMANTHANA — an exquisite Kuchipudi Ekaharya, or solo thematic dance production — is based exclusively on saint-poet Thyagaraja’s kritis, interwoven with original English prose and poetry. It remains one of Srividya’s most acclaimed works, having received numerous accolades and generous media coverage.

In 2022, Srividya received the Distinguished Alumni Award from her alma mater, VNR VJIET, Hyderabad, in recognition of her pursuit of excellence as a performing artiste in Kuchipudi. In 2024 and 2025, she was invited as Guest Faculty to IIT Hyderabad to teach Kuchipudi basics under the Creative Arts Minor. She was also invited as GKF Visiting Fellow 2025 at IIT Kharagpur, and by the Ministry of Youth Affairs to New Delhi, as Special Attendee — Youth Icon at the Viksit Bharat Young Leaders Dialogue — an event presided over by the Honourable Prime Minister of India, Shri Narendra Modi ji.

Co-founder of Citsabhā Collective, a not-for-profit trust dedicated to the promotion of Indian classical art forms, Srividya works relentlessly to expand her knowledge and experience of the Kuchipudi paradigm. Unafraid of experimenting with traditional kinetics and new music, yet ever reverent of age-old Kuchipudi movement, Srividya Angara blazes her own trail with a unique brand of energy and style.
